MS. ROSE LIGAYA DOMINGO

OIC, Task Force on School Sports
Department of Education

Dear Madame:

Good day!

The amateur boxing rules and regulations being used in the Regional and Palarong Pambansa are all based on the rules and regulations as adapted by the International Amateur Boxing Association. One of our major concerns in these sports is the safety of the boxers.

In connection to this, I'm submitting to your good office some of the proposed changes in the weight categories and the age bracket that we have to use in the DepEd Schools Sports Program.

Looking forward to the development of Amateur Boxing in our program.
